

1 Download the CardValet App and Register Your Cards

Download the CardValet application from the Apple® app store or Google play™

Open the app, and select New User

Enter your 16-digit card number

Enter additional card details as requested

Validate your identity in one of three ways

- Email verification**
A temporary security code will be sent to the email address on record. Retrieve and enter the security code.
- Last four digits of your SSN**
If no email address is on record but an SSN is, enter the last 4 digits of your SSN.
- Conduct a PIN transaction**
If neither an email address nor SSN is on record, you will be instructed to conduct an ATM or PIN-based POS transaction. Enter the transaction amount.

Create your username and password

You are ready to log in

2 Turn Your Card On or Off; Set Controls or Alerts; View Balances and Card Transactions

Select a card from the CardValet home screen and you are ready to begin

Access Card Details

Turn your card on or off

Set Control Preferences

Set Alert Preferences
